Binomial pairs worksheet pdf worksheet answers answer

Because it's a long(ish) phrase, it really works best at the end of a clause: We watched his music writing get better and better, little by little. "Peace and quiet" means "freedom from chaos, stress and noise." How can I use it? It's that white stuff and black stuff you put on your food. Use Humphrey's mug — he'll kill you. Well, before we make a decision we should probably: Weigh up the pros and cons Discuss the pros and cons Explore the pros and cons Examine the pros and cons That sort of thing. I think we all know how to use this, right? They deal with the "hows": how much, how big, how often, how soon, how carefully, etc. This one's a bit tricky. And we often use it to describe relationships: How's it going with Andy? SVO = subject, verb, object e.g. I'll make tea. Don't leave me high and dry like this! It was too late when I noticed that there was no toilet paper, leaving me high and dry. High and Dry is also a fantastic song. This means "under any circumstances." How can I use it? Wear and tear What does it mean? Or whatever they were doing before). You've got to get to your best friend's wedding, and NOTHING is going to stop you! Or you're going on your dream holiday camel riding through the Sahara (because you like weird holidays). Although it's most common to use this phrase with instructions, we can also use it for any sort of process: He plans to take over the world, step by step. This means "approximately" but doesn't sound as scientific. If you put salt and pepper on Brussels sprouts, they still taste horrible. We often use this with the verb "leave": You can't pick me up? He said he'd work hard this year and, by and large, he has. The bundle contains 18 printable activity pages, 2 answer key pages plus one PowerPoint Animated Game Presentation (see individual games for previews and game rules). On and off What does it mean? Sooner or later What does it mean? So sometimes, they act as a sort of scale when you want to show balance. We often use this to show how nice something is: For sale: Giant, elephant-shaped, leather sofa. So there are a lot more positive binomials in English than negative ones. But we can also use it to talk about how a situation isn't so simple. I've just researched the way this phrase is used, and I've found something interesting. That guy you see begging in the street. Nothing will stop you — it's your dream! We also often use this phrase with "come": I'm going to my best friend's wedding, come rain or shine. How can I use it? We can basically use this in any situation that involves good and bad experiences together. Or lion tamer. I've read it about 7 times. Click here to get it. Label any food you put in the fridge. This one's often used as an adjective: Can you deliver my doughnuts in a nice, neat-and-tidy package, please? That's all! How can I use it? My uncle can't stand teenagers who wear their caps back to front. Again — we know what this means. We can use this phrase for people: There he is, safe and sound in his hammock. There's the feeling that "yes, we've gone through some bad times, but we're still here and alive! It's been good for us!" That sort of thing. But there were a few problems with the sharks.Yep — learning a language can be a challenge, but all in all, it's a rewarding experience.So there we are — 29 common and useful binomials in English to make you sound more natural and express yourself better in English.Did you find this useful? Safe and sound What does it mean? This is a combination of "gradually," "carefully" and "regularly." How can I use it? If you're a parent, you'll know exactly what I'm talking about. Our shop is now bilingual! We already have over 6000 English resources. (By the way, I'd recommend avoiding using approximately in most situations — it sounds a little too scientific for most situations.) How can I use it? All of the resources you see in English will eventually be available in Spanish. So we can use it with "we got back ..." or "it was returned ..." After walking through the red-light district for hours, we finally got back to our hotel safe and sound. I might watch a match now and then, though. So you've bought some new clothes! They're fresh, crisp and new. I'll be camel riding through the Sahara next week — come rain or shine. You can express a lot with only 3 words, like with idioms. Of course, we can use this one to talk about physical areas, so we often use it with verbs like "search," "reach" and "travel": They searched far and wide for the missing dog. It can also be used as an adjective: He's given us a loud and clear signal — no more ice cream in the swimming pool. It means "gradually" — the opposite of "suddenly." How can I use it? I can specifically remember the first time I heard this phrase in context. Anything that is measurable and not just black and white. We can also use it with "for" and "since": He's been working for the circus on and off since he was a kid. This means "safe and out of danger." How can I use it? Don't ask about Tony. But let's have an example anyway: Rock and roll is a genre that simply refuses to die! Salt and pepper What does it mean? The family dog had been missing for 5 weeks when he was returned safe and sound to his owners. Far and wide What does it mean? Well, he's down and out. Our customer service team will review your report and will be in touch. Or you could say: Come on! Don't look at everything in black and white. Don't touch anything — he'll kill you. 4. If it's on.This one means "looking at everything about a situation all together."Let's look at some examples!All in all, It was all right. Pass the salt and pepper, would you? Live and learn. That's when you can accuse them of black-and-white thinking. "Black and white," "rock n' roll," "salt and pepper." You know these types of phrases, right? Then BE AWESOME AND SHARE! Spread the knowledge! Peace and quiet What does it mean? You can probably guess the meaning of this one. Most of the verbs that are used with "peace and quiet" are verbs that either mean "want" or "look for": So I guess this means that peace and quiet is something we often want, but don't always get. He's starting with Norway. This means "neat." And "tidy." Exactly what you'd expect! How can I use it? You can use this phrase when you want to tell someone, "For sure, something is happening, but I just don't know when." Sometimes there's a feeling of "it's happening — and there's nothing we can do about it!" Here are some examples: Well, he's doing well — but sooner or later his luck's going to run out. Or for things: The inspectors have checked, and the building is safe and sound. Well, that's wear and tear. Dos and don'ts are basically rules. By the way — here's a good example of wear and tear from my collection: High and dry What does it mean? This is almost always used with "be." Now that the accounts are done and dusted for the year, do you fancy a pint? This will save you time by giving you the most useful binomials in English! (You're welcome.) (*To learn how to use a corpus to improve your English, click here.) 1. He's good at it, but I think he might need to get out a bit more. I just wanted to include it because it's a great example of a binomial in English we all use — even in other languages. Keep checking Back and Remember to Have Fun!Last updated31 July 2017This Word Pairs or Binomials 7 Board Game plus 2 Worksheet Bundle includes 1 regular board game, 2 Battleship game cards with ships, 36 game or flash cards, 16 Tic-Tac-Toe or Bingo cards, one checkerboard game with checkers, a chutes and ladders board game, an animated board game, 3 photo color worksheets with answer key and one black and white worksheet with answer key. Well, you can simply use it to talk about the colours: Back in the '80s, we had a black-and-white TV. I won't be doing that at all. Simply: "The back part's in the front, and the front part's in the back!" How can I use it? You try to follow the instructions step by step, but your cupboard still ends up looking like a broken chair. Good news! This is more or less the same as "more or less." How can I use it? They're usually not formal rules and are often not particularly strict. This is when you're in a situation where you feel helpless. I think it's called "X Factor." Basically, you have all these people who want to become successful performers. Although you take good care of them, they still fade, get a little broken and just don't look as good. He's got no money, no home. You can use this for anything that happens, then stops happening, then starts again, then stops again, and so on. This phrase means "over a large area," or "a lot of places in a large area." How can I use it? Dos: Wash up after yourself. This means "short but also rather nice." Or sometimes "short but relevant to the situation." How can I use it? Nightmare, isn't it? Yeah, thanks for that. Share on FacebookShare on Twitter Would you like this lesson on binomials in English as a PDF? You know those people who look at a complicated situation, and they think they can just describe it very simply? These binomials describe how you do something, how something happens or how something is. I guess a really clear way to explain it is with that terrifyingly popular show. So making mistakes is fine. I'm in the middle of nowhere — there's no bus for 7 hours. It literally means "sooner or later." But there's an extra layer of meaning attached to it ... How can I use it? I have no idea how he won. OK. No signs of wear and tear. 3. If you were around in the '90s, you'll remember these guys. He gave up and opened a café in Ipswich. Today, you're going to learn 29 of the most common binomials in English. I = subject will make = verb tea = object He's not a big drinker, but he enjoys a cocktail now and then.Football? Something can: Make or break a deal Make or break a career Make or break the economy Make or break your marriage Make or break you Ups and downs What does it mean? You're stuck in a situation you don't want to be in, and it's usually because you're missing something that can get you out of that situation. It's often used as a verb, and it's commonly used to talk about love, money and careers. This means "the good and bad sides of something." How can I use it? Binomials in English for Amounts, Duration, Direction, Etc. To get away from the noise and chaos and stress of the big city? Or how not-nice something is: I love this book. That's why your cupboard looks like a chair. This one has a feeling of determination. Hooray! How can I use it? Shame about all the paperwork, especially the romantic comedies. He's basically down and out these days. They can help you stop using the same phrases again and again. You can also ask about them: What would you say are the pros and cons of working as a lion tamer? "By and large" basically means "after considering everything..." We have a similar phrase for this: "on the whole." How can I use it? Down and out What does it mean? Ken Being an Idiot by Ken Lund | CC BY 2.0 More or less What does it mean? It means that we learn from our mistakes. In exactly the kinds of ways you'd imagine using it. He's letting us know, loud and clear, that he doesn't want to go back in the cupboard. The meaning of this one's pretty logical. The internet in black and white when you were a kid? Have you ever needed to escape to the countryside? He went up on stage, said about 5 sentences, then sat down and then the musicians started the concert. This one means "both good and bad experiences." Although there are bad experiences involved in this one, it's mostly positive. Loud and clear What does it mean? We can also talk about how things like rumours, information and discussion can spread far and wide: There were more or less 300 people at the wedding. And that's it! The red team win the penalty shootout! They've won the championship! It's all done and dusted! Now the football is finally over, and we can get on with our lives! Short and sweet What does it mean? Turn the lights off when you leave the room. Binomials for the Good and Bad Sides of Something There's something very useful that binomials in English can do. But what about those same clothes a year later? A neighbour had found him enjoying her swimming pool. I don't know why they keep doing that. People came from far and wide to see the pig-monkey. Why? Unless someone asks you to write up a "dos and don'ts" list, then you probably won't need to use this phrase much. It means the colours: black and white. In the end, they found him hiding in the garden. Like when they think that all librarians are evil people because they met a couple of bad librarians once. 2. It feels great, doesn't it? Make or break What does it mean? You can use this in any of the situations that you'd use the word "about" (meaning "approximately"). = "I had somewhere between 6 and 10 cups of tea last night." Little by little What does it mean? I thought this was supposed to be a wealthy country. They can talk about the good side and the bad side of something at the same time. Do you know any people (or seagulls) that might also benefit from this? Or that he took all the money he earned from lion taming and lived in a hotel in Gibraltar on and off for about 10 years. Or with "be": Humphrey's desk is always neat and tidy. Pros and cons What does it mean? It can also be quite funny if you use it with something less about numbers and more about opinions: He's more or less a complete idiot. How's the new job? Now and then What does it mean? We all know what this means. By the way, there are so many binomials in English — how did I choose which ones to include? Done and dusted What does it mean? As he was sitting down, he just said: "There you go — short and sweet!" We can also say "short but sweet." Neat and tidy What does it mean? Use the worksheets for extra classroom practice or for homework assignments and reinforce the topic with one or all of the entertaining games! Or you can try projecting the color worksheet and handout the economical black and white worksheet for your students to practice on. But we're still going strong! Live and learn What does it mean? The publisher put the book covers on back to front. But you're going to have to let go sooner or later. I mentioned his ex to him, and he went crazy. Binomials to Describe Good Things A lot of binomials are happy little things — like my cat. Freya: OK, not so relevant, but isn't she lovely? Back to front What does it mean? You can say that you've been writing your first novel on and off recently. Well, we had our ups and downs. (My childhood was interesting. Or at the beginning: Little by little, he lost his enthusiasm for Sandra Bullock films. Step by step What does it mean? Click here. This is usually for some sort of project, and it simply means "finished — completely finished. You can also make it a little more accurate by adding how much you're giving or taking: I had about 8 cups of tea last night — give or take 2. This doesn't mean "loud," but it means "clear." In fact, it means "very clear." How can I use it? That's because it's often used more as an afterthought: My YouTube channel's exploded! I've got 10,000 subscribers, give or take. Binomials to Describe Bad Things Some binomials are used to describe bad situations. Binomials are AWESOME! And here's why: They make you sound more natural in English. No — I'm not a big fan. Don'ts: Leave old food in the fridge. Have you ever tried to construct something from Ikea? Now, the 3 minutes they get on stage (or however long they get) is possibly the most important 3 minutes they'll have in their career, right? Black and white What does it mean? We need all the help we can get from the government, but, by and large, they haven't been helpful. It can be something big, like life: Life is full of ups and downs! Or something small, like your last trip: How was your holiday in Alaska? OK — that's very impressive. We usually use it in little pots like this. Sometimes in restaurants, they put the salt in the pepper pot and the pepper in the salt pot. And often with "keep": Yeah — he likes to keep the garden neat and tidy. Notice that we can put this after the verb or after the object. Yes — it's certainly showing a lot of wear and tear. He travelled far and wide looking for the answer to the universe. But you will see them around in written English — usually as a sign somewhere public, like a swimming pool, a library, a hostel or a workplace kitchen — anywhere that might have informal rules. Daddy? Because now we've learned something. We can move in tomorrow! This is often used after some sort of period of danger. (Particularly funny because we're talking about a place without much rain.) Dos and don'ts What does it mean? This means "mostly." We can use it to describe anything that's almost 100%. This phrase is usually used to talk about an instruction, a message or a signal. I'll explain another time.) It was my dad's job to introduce the musicians. It basically works like an adjective: Tony? To just relax and enjoy the peace and quiet? You should've read the step-by-step instructions more carefully. Put wet spoons in the sugar.
